- Built Machine Learning Pipeline (Python, C#, React, ASP.net) for data-driven movie recommendation app

EXPERIENCE

Data Analyst

Aug 2025 - Present

BYU Office of Information Technology, Provo, UT

- Debugged Tableau dashboards by correcting SQL queries and updating broken data sources, improving reporting accuracy
- Designed new Tableau dashboards via field manipulation and data modeling, to meet stakeholder requirements
- Recognized for clear communication and aesthetic design, helping translate non-technical requests into visualizations

AI/ML Consultant (EY Case Competition)

Jan 2026 – April 2026

Brigham Young University / EY Collaboration

- Selected as national EY competition finalist, delivering AI-driven HR platform for talent optimization
- Built machine learning pipeline to optimize hiring decisions using candidate skill data to find best feature combinations
- Developed LLM-based recommendation engine to generate candidate match scores and ranked hiring insights

Facilities Technician

May 2024 – January 2026

BYU Building Maintenance, Provo, UT

- Performed daily sanitation of high-traffic areas, ensuring clean restrooms, floors, and surfaces with minimal oversight
- Identified and completed off-list maintenance tasks proactively, earning praise for initiative and going above expectations
- Demonstrated reliability with 100% on-time attendance and a reputation for tackling the detailed work others avoid

Professional Painter

Sep 2023 – July 2025

Mitchell Painting, Provo, UT

- 25+ homes painted with 100% on-time delivery, consistently exceeding client expectations through precision and quality
- Mastered complex interior and exterior painting techniques, showcasing grit, reliability, and attention to detail
- Developed trusted relationships with clients via clear communication, honoring deadlines, and following through

Head Basketball Coach

Oct 2023 – Oct 2024

Canyon View Junior High, Orem, UT

- Implemented EasyStats app to track metrics and develop data-driven practice plans, cutting turnovers by 65+%

Volunteer Representative – Spanish Fluency

Oct 2019 - Oct 2021

The Church of Jesus Christ of Latter-day Saints, Trujillo, Peru & Lansing, Michigan
